# TRAINEE TRUCK OPERATOR - OPEN PITS

with KCGM

- Fixed term six (6) month contract
- Be trained to transport ore and waste in a safe and efficient manner operating our fleet of 777, 789 and 793 dump trucks
- Undergo comprehensive theory training and simulation experience
- Work a roster of seven (7) days on, three (3) days off, seven (7) nights on, four (4) days off working an average of fifty six (56) hours per week over a roster cycle

## Selection criteria

To be eligible to apply, you must:

- ✓ Be living permanently within the Kalgoorlie-Boulder region
- ✓ Hold a current MARCSTA induction; and
- ✓ Hold a current unencumbered Western Australia Medium Rigid (MR) driver's license

Other qualities that we look for in our trainees are:

- ✓ An awareness and appreciation of the importance of safety at work
- ✓ A positive attitude to work
- ✓ Be able to demonstrate an alignment with **KCGM's 6 Core Values**
- ✓ The ability to work and communicate effectively in a team

## How to apply

If you would like to express your interest in this position, please email your resume and a brief covering letter explaining why you are the best candidate for this traineeship, to [jobs@kalgold.com.au](mailto:jobs@kalgold.com.au). Please note if your application does not meet our selection criteria it may be disregarded.

Should your application meet our selection criteria, we will hold your resume on file for six months. If a traineeship arises within this time frame that we wish to interview you for, we will contact you. If you have not heard from us within 6 months, please feel free to re-submit your resume.

*Please note that successful completion of the Trainee Truck Operator program in no way guarantees permanent employment with KCGM. A permanent position will be based upon operational requirements and an available budgeted position, satisfactory assessments and work performance.*

Kalgoorlie Consolidated Gold Mines is one of Australia's largest gold producers. Using underground and open pit techniques, we deliver up to 850,000 ounces per year. KCGM Pty Ltd manages the assets for joint venture partners Newmont Australia Ltd and Barrick Gold of Australia Ltd.
