

KCGM Media Release **26th November 2008**

KCGM Elf for H.E.L.P.

KCGM will be jingling all the way this Christmas as employees work together to collect hamper goodies for the H.E.L.P. organisation this festive season.

H.E.L.P. collect items to produce Christmas Hampers for families in need and tailor the hampers for families and those less fortunate who will receive them.

KCGM has had collection points for the H.E.L.P. Christmas appeal in previous years, and although continuing this tradition, this year elves are being called upon to make this Christmas golden for the community of Kalgoorlie-Boulder.

In the spirit of giving, KCGM will be collecting hamper donations such as Christmas puddings, tinned fruit, canned ham, children's presents and balloons as employees enter site. Several eager KCGM employees will transform into Santa's little helpers and will encourage others to contribute to those in need, all in the name of a good cause.

The elves will be on duty at the site entrance at various shift changes leading up to Christmas, dressed in red and green, jingling their bells and spreading the Christmas cheer on behalf of H.E.L.P.

To make a contribution to the H.E.L.P. campaign, please call 9091 9551 and make someone else's Christmas that bit more merry.
