KCGM kicks Junior Sports goals

The recipients of KCGM's annual \$10,000 Junior Sports Fund have been allocated for 2004. Eight Junior associations have benefited from funding amounts up to \$1,500 for essential sports equipment.

"It's a helpful boost to organisations that need to replace old equipment, something that is not always covered by ongoing playing fees and other sources of funding," said KCGM PR Coordinator, Danielle van Kampen.

KCGM has a strong focus on junior sports support, as evidenced by the continuing commitment to the fund.

"We try to allocate the money over a range of different sporting interests – and the investment must be in equipment or enhancement of facilities which will benefit more than just one team or season."

So how can you apply for the KCGM Junior Sports Fund?

"KCGM is currently reviewing its sponsorship application process, and we will be posting the latest information on the Super Pit website www.superpit.com.au. All the current forms and guideline information is on there, or you can call us on the KCGM Public Inquiry Line 9022 1100. At this stage it looks like we will call for 2005 Junior Sports Fund applications in December."
