

FIMISTON TAILINGS STORAGE FACILITIES **Vegetation Monitoring Programme Review**

Kalgoorlie Consolidated Gold Mines committed to a professional review of the existing vegetation monitoring programme surrounding the Fimiston TSFs as part of the Fimiston Operations Seepage and Groundwater Management Plan.

A report has been prepared and is now available for a 21 day public review period.

We encourage the community to take an interest and provide written feedback regarding this report.

KCGM invites the public to review this report and provide written feedback by Monday 13 February 2006.

**Copies of the report
are available for review at the:**

- Department of Environment (Kalgoorlie Office)
- KCGM website - www.superpit.com.au
- Super Pit Shop, 2 Burt Street, Boulder

If you have any questions or would like further information, please contact us at the Super Pit Shop on 9093 3488 or via the Public Inquiry Line on 9022 1100.
