13 June 2019

KCGM Community Open Day

In celebration of achieving 30 years of operation on the Golden Mile, KCGM will be holding a free Community Open Day at Hannans North Tourist Mine on 29 June 2019 between 10am and 3pm.

The theme for the day is 'High Vis' and visitors are encouraged to wear their bright colours. With the support of KCGM employees, key business partners and community partners historic Hannans North Tourist Mine will become a showcase of a modern mine site for the day. Attendees will have the opportunity to get up close to the monster machines of mining and meet the real-life KCGM workers as they explain what they do in their jobs through a series of interactive activities and hands on displays.

Entry is free with plenty of entertainment and activities for the whole family. Free shuttle buses will depart hourly from St. Barbaras Square from 9.45am until 1.45 pm.

KCGM General Manager Cecile Thaxter said KCGM is looking forward to celebrating the momentous milestone with the community.

"Reaching a 30 year anniversary is an amazing achievement for any mine, and for us here at KCGM, a reflection on our culture of growth, safety and continuous improvement. I'd like to thank our employees, business partners and the people of Kalgoorlie-Boulder for their dedication and support over this time. We look forward to continuing to work together, earning the right to grow and supporting the community for many years to come" Ms Thaxter said.
