**7. AGENDA ITEMS**

**Environment Reporting (Graeme Smith)**

- Approvals:
  - The Gidji Emissions Reduction project (ERP) has been approved by the OEPA, DMP and DER. Project construction has commenced.
- Notable Incidents:
  - One dust incident above the NEPM standard. Regulators advised, unlikely that KCGM was the primary contributor.

**Social Responsibility (Peta Jurgens)**

**Community Relations Update:**

- The KCGM 25<sup>th</sup> Anniversary Book is tracking along well.
- In June there were
  - 48 hours of volunteering, valued at \$2,400.
  - 18 media reports; 5 positive, 13 neutral and 0 negative.
  - 27 recorded public interactions, 2 were complaints: Fumes (1) and Blast Vibration (1).

**Noise Regulation 17 Application (Graeme Smith)**

- The CRG received and reviewed the Regulation 17 Application supporting documentation prior to the meeting.
- Following the presentation there was extensive discussion regarding the Noise Regulation 17 Application.
- The CRG were supportive of the current process, with some minor changes recommended.
- Feedback forms were received from the CRG members and will be included in the application to the DER.

## 8. GENERAL BUSINESS

PJ advised the CRG members that the Cyanide Information Sheet is now available on the KCGM website.

TS referred to the latest General Managers updated provided on email asking how it states that we were 1 million hours LTI free but in the next paragraph it states that there was an injury in the same month. PJ confirmed that the injury occurred after the 1 million hours were reached.
