## 8 GENERAL BUSINESS

AW asked if KCGM would consider holding a community open day bi-annually or as an annual event. BC advised that we would take this feedback on board and discuss opportunities with the CKB.

BC advised the CRG that KCGM will be partnering with CSIRO to introduce the 'Local Voices' program to assist with better understanding community expectations and sentiment with regards to the operation. Dr Kieren Moffat from CSIRO will provide an overview of this initiative at the next CRG meeting.

BC advised the CRG that Tamera Sharp will be taking a step back from the CRG meetings and that Shannen Marnell will be managing this moving forwards. TS thanked Tamera on behalf of the CRG for all her efforts over the past nine years.
